

HOUSEKEEPERS!

and
Landscapers and Property Caretakers...

IF YOU DO NOTHING YOU WILL BE OUT OF A JOB

WHAT?!?

YES! there is a Bill that your local council wants to pass to eliminate all non-hotel type, short-term rentals. The collateral damage will be your jobs and the jobs of your ohana!

It is already on the 4th and final draft!

If you do nothing soon you WILL be out of a job!

HERE IS WHAT TO DO FIRST:

1. Take a picture of this poster and a close up of these **directions**. →
2. Send this to everyone you know!
3. Go to www.InformedHawaii.com
4. Click on **BE HEARD** tab.

HERE IS WHAT TO DO NEXT:

Tell your local council the truth. If they allow this new bill to pass it will also eliminate your and/or your ohanas jobs too! (*and then how will you and your family afford to live here?*)

DIRECTIONS: On the **BE HEARD** page it is very easy!
They helped you with what to say, and who/how to send it.

- 1) Copy and paste one of the pre-written emails/letters (you can use your own words too!)
- 2) From the list, find your district with the name, email and phone number.
- 3) Send *that* person your email or call them!
